Profile

I am a passionate and motivated Bachelor of Science in Computer Science (BSCS) student with a strong flair for coding and a particular interest in web development. As a freelance full-stack web developer, I have built responsive, user-friendly websites and backend systems for clients worldwide. I am committed to delivering high-quality solutions that meet client expectations.

Professional Experience

Freelance Full-Stack Web Developer

Fiverr

01/2021 – 09/2022

Interests

Open Source Contribution

Passionate about collaborating on GitHub and contributing to community-driven projects.

Tech Blogging

Enjoy writing about web development trends, coding tips, and project experiences.

Learning New Frameworks

Always exploring new tools and technologies in the web development ecosystem.

Startup Culture & Innovation

Fascinated by tech startups and how they solve real-world problems with code.

Gaming & Game Development

Interested in how games are built and the logic behind them.
